

INFORMATION FOR MBARI VISITORS

NEARBY AIRPORTS *(and distance to Moss Landing):*

- Monterey (MRY ~ 20 mi)
- San Francisco (SFO ~ 90 mi)
- Oakland (OAK, ~88 mi)
- San Jose (SJC, ~55 mi)

GROUND TRANSPORTATION:

Transportation to/from the airport can be made by [shuttle](#), rental car (one-way rentals are available), LYFT or UBER. Note that transportation to Moss Landing from outlying cities is possible by public bus, but the schedule is infrequent and may not fit the workshop schedule. *(Note: Uber, Lyft, etc. is difficult to obtain in Moss Landing; there are not many in the area. A rental car or carpooling are better options).*

WEATHER:

It is usually quite pleasant in the fall, with little chance of rain. However, fog is always possible on the coast, and can cool things down dramatically compared to a few kilometers inland.

MBARI SPECIFICS:

The Monterey Bay Aquarium Research Institute is located across the bridge in Moss Landing. Parking is available in the visitor spaces or on the street. Most workshop activities will occur in the Pacific Forum, and lunch will be catered there. We also have common rooms with kitchen supplies for those who prefer to prepare their own meals. A list of nearby restaurants is also provided (above). Note that the front doors to MBARI are kept locked at all times. Workshop participants will either be granted a keycard for access or be met by an MBARI host for entry. *(Further details regarding entry to the venue will be provided to registered participants at a later date).*
