

## Gladstone Local Information

### PRIMER and PERMANOVA+

*Courses in Multivariate Analysis for Ecology & Other Sciences*

**PRESENTER:** Marti J. Anderson  
**DATES:** *Week 1: PRIMER* 21 - 25 October 2024  
*Week 2: PERMANOVA+* 28 October - 1 November 2024  
**HOSTED BY:** Coastal Marine Ecosystems Research Centre (CMERC), Central Queensland University, Gladstone, QLD, Australia

#### Venue

All sessions will be held in Building #3 at Central Queensland University's Gladstone campus, 43 Bryan Jordan Drive, Gladstone, QLD 4680, Australia. See the red pin identifying this building here on [Google Maps](#). A campus map is available for download [here](#). Building #3 is circled in red in the image below.

#### Parking

The parking lot closest to the venue is circled above in blue. Parking is free on campus.

#### Public Transport

There is minimal public transport around Gladstone. There are also limited Ubers (some at peak times). Taxis are the most reliable transport from the airport.

## Catering

Lunch will be provided each day, along with tea/coffee/water and snacks during the morning and afternoon breaks.

## Accommodation

Below are some accommodation options, most of which are within a 20-minute walk to the campus.
